

### **Sindhuja Rajamaran, youngest CEO. Raised in Chennai**

Sindhuja Rajamaran, a 14 year old girl studying 9th standard in India, has now become the world's youngest CEO. Raised in Chennai, this girl is the Chief Executive Officer of his father owned company called Seppan. Seppan is an animation firm in Chennai. The recognition of youngest CEO was made by National Association of Software and Service Companies. This girl has won awards and recognitions in the past as well. Last year she was awarded the Fastest 2D Animator by Nasscom in Hyderabad.

Sindhuja gives all her credits to her dad who is a cartoonist himself. She is now working on a few projects like the 2D movie called Virtual T-Nagar which reveals the true nature of the specific location called T-Nagar in the city of Chennai. She is also doing an Ad-Film with Joy-Alukas, a famous Jewellery Retailer. Corel has also certified her as the youngest digital caricaturist in the world.

Hope youngsters get inspired by her efforts and we congratulate on our side for her becoming the Youngest CEO!

14-year-old Chennai girl becomes world's youngest CEO

Sindhuja Rajaraman, a ninth standard student has become the world's youngest Chief Executive Officer (CEO).

The 14-year old girl became the head of Seppan Company, an animation firm, in October 2010. The company was set up by her father.

She was adjudged the fastest 2D and 3D animator by software lobby NASSCOM (National Association of Software and Services Companies) at the Gaming and Animation Conclave 2010 held in Hyderabad.

"I am just proud to be an animator. The CEO is just a post given in this company," Rajaraman.

"I am learning animation for this CEO post to make myself worthy for the CEO post," she said.  
"There is no age bar or age limit for animation. Everybody can do animation."

"The scope for animation in India is growing everyday. There is going to be a big boom in India and all industries are into the animation, they need animation and multimedia. I am enjoying work and I am also getting challenging works," she added.
