Science & Education Specialist

Sir,

On behalf of Padala Charitable Trust (PCT) and its staff I would like to offer my sincere THANK YOU for your kind presence at our 9th annual scholarship distribution event held in Yeleswaram village of East Godavari District, AP.

Your lecture to the audience about 'Learning by Meaning' concepts has motivated our scholars, parents and guests. Many of the scholars have informed us that it is one of the BEST sessions they ever had before and it helped them to have a good sense of scientific awareness and vision.

Also, thanks for explaining several concepts to the students with an emphasis on how to become an affective citizen, what success really means, what a student should concentrate on and how to use our god-given talent etc.

PCT is very fortunate to have a well wisher like you and we hope to partner with you on several projects in near future to benefit the needy children. Let us stay in touch.

Best Wishes
