

Dear Children

Do you know all these Radio stations directly comes to your home/school with high quality of sound with out any disturbance unlike from AM band as this works on DTH(direct to home). You just need to have a Ku-Band (a small dish) and a Satellite receiver(set-top box). Once you just track it to Satellite-"INSAT- 4B "(93.5°E).

You all can get very good quality of radio programs as well as all good TV channels(only Natonal Network i.e Govt Doordharshan Channels). No monthly subscription charges involved, just one time investment for high quality content.

Such as

- 1) Vindam Nerchukundam
- 2) Meena Prapancham
