Mr.Srinivas
SCHOOLSEMINARS

Dear Sir,

Greetings. Accept our hearty congratulations on behalf of our Students, Staff and the Management for the animated workshop you have conducted on 6th August, 2010 at our Institution for the students of 8th to 10th Standard. The feedback from the students and staff is quite satisfactory and they all enjoyed with enlightenment. Let your future endeavours transform many students from the routine marks orientation to subject orientation with a touch of human relations and social obligations which the present education system could not extend due to several reasons.

Thanking you,

for Minerva Educational Institutions,

Secretary & Correspondent.
